POTTY TRAINING

It is our school policy that potty training must be handled gently. I encourage the classroom teachers to communicate with the parents as to when they feel potty training be introduced. Our policy is, if your

child has BM accidents every day, and is urinating more than 2 times daily in their underwear, their behavior displays they are not ready. We will then suggest trying at a later time. It is very important that our two year olds become more verbal with the teacher as this does help enhance the progress. Otherwise, the children will be placed back into their pull-ups for the health and safety of the entire environment.

MEALS

Parents are to provide meals Monday - Thursday. Morning snack, lunch & afternoon snack are required. Lunch boxes and ice packs are required by state law. Children are given 30 minutes to eat. Friday is \$3.00 Pizza Day and no lunch box is required.

SHOW & TELL

One toy from home may be brought in on Fridays only. Please help us with this school policy. Do not encourage your child to enter our school in the mornings with toys. This will upset them when we return the toy to you. Thank You!
