(With the exception of the back building). Please remember that it is the responsibility of each family to check their children in and out of the school. This is how we keep track of our daily attendance log that is required by the state and is mandatory by our licensing agency. Drop off time is no later than 9:30 am. Children may only enter late with a doctor's note.

*\*Unless modified by the director in select situations.*

## OBSERVATION/ASSESSMENT

TLC Kids Care is required to perform observation/assessment two times yearly if needed.

## DRESS CODE

Covered toed shoes are required (No Crocs or Rain Boots). No midriiffs or spaghetti straps please. No scary monster, witches, bats, skeletons, Pokemon, Harry Potter on T-Shirts or lunch boxes. Kindergarten students will be required to wear a TLC uniform polo Monday - Thursday. Friday will be free dress! Parents provide polo tops (any color) and TLC will provide the embroidery of our logo.

## POTTY TRAINING

I encourage the classroom teachers to communicate with the parents as to when they feel potty training be introduced. Our policy is, if your child has BM accidents every day, and is urinating more than 2 times daily in their underwear, their behavior displays they are not ready. We will then suggest trying at a later time. It is very important that our two year olds become more verbal with the teacher as this does help enhance the progress. Otherwise, the children will be placed back into their pull-ups for the health and safety of the entire environment. It is our school policy that ALL 3 year olds are fully potty trained.

## MEALS

Parents are to provide meals Monday - Thursday. Morning snack, lunch & afternoon snack are required. Lunch boxes and ice packs are required by state law. Children are given 30 minutes to eat. Friday is \$3.00 Pizza Day and no lunch box is required.

## SHOW & TELL

One toy from home may be brought in on Fridays only. Please help us with this school policy. Do not encourage your child to enter our school in the mornings with toys. This will upset them when we return the toy to you. Thank You!

## EMERGENCY EVACUATION

If an emergency such as a hurricane, severe weather or power outage were to occur, all children and staff would evacuate to the safety room located in the back of the church.

If TLC were to experience a chemical spill, fire or another kind of uncontrollable emergency, all children and staff would be transported to Taylor Road Fire Dept. 756-7490.
