COVID-19 - As of now, TLC remains open. If Volusia County has a mandate, then I will comply with the county. Otherwise please note that I, along with the rest of my staff, is continuously sterilizing, spraying & I am personally treating the entire school buildings with the Halt odorless chemical (daycare safe) spray. My supplier is Mike from Burns Supply and I am in contact with Volusia County Health Department nurse, Susan Grubbs. She is proud of what precautions we are taken and is very impressed that we are doing temps and going over and above to help fight this virus.
