**CLASS LISTS FOR AUGUST** – All children have been placed for the summer & school year. The list for all the children has been posted in the front lobby. If you would like to see where your child has been placed, feel free to ask. Our policy is to help transition all the children in the summer, so by August they are acclimated in their learning environment. Your teacher's back to school supply list is available on our website.

**INFANT SWIMMING RESOURCE** – Please remember that every child is capable of learning how to swim. We hear it through our local media how another child lost their life because they didn't know how to swim. Register now for May 17<sup>th</sup> – July 2<sup>nd</sup> session. If interested, please contact Audrey Kitchel at (765) 337-4705 or [a.kitchel@infantswim.com](mailto:a.kitchel@infantswim.com). Or please reach out to your local YMCA and or another certified survival swimming program and get your child swimming lessons. Swimming saves lives.

**SUMMER TUTORING** – Mrs. Sills will be offering summer tutoring on Mondays, starting at 8AM during the months of June & July. If interested, call me or Ms. Jen and we will add your child to the list.

**SUMMER SCHEDULE** – If any parent wishes to change their child's registration status to part time (3) days, it is not a problem. Please speak with Ms. Jen.

*I would like to take the opportunity to thank all of our parents and children who will be graduating this year and moving on. We will miss your child very much. I am extremely blessed that TLC has placed a special foundation into your child's life as they get ready to prepare for their big journey beyond TLC Kids Care.*
