PRE-K/KINDERGARTEN - Progress reports and report cards will go home for your viewing the week of October 11th. Please sign and return to your child's teacher by, Wednesday, October 20th. All of your children are working very hard. Our curriculum moves pretty fast and for some children this can be overwhelming. Please remember if your child is currently in Pre-K, we recommend 5 days to help them prepare for the spelling/sight words and other phonetic skills. (If you don't want 5 full days, please try to bring them at least 5 mornings) They are so proud when they finally sound out a new word & complete a storybook. Early reading is a HUGE accomplishment for your child. The A Beka curriculum moves quickly with the reading and math concepts. Please continue to encourage reading at home. **1st grade report cards will go home on Friday, October 1st. Please return by Wednesday, October 6th.**

ILLNESS - We have had a few children being dropped off in the morning with low fevers. Although, some of you are notifying a teacher about this concern, it has been brought to my attention that some of you are administering Motrin or Tylenol before they are being dropped off. **PLEASE! PLEASE! PLEASE! Keep them home until the fever is totally gone** unless you have a doctor's note stating your child is not contagious and may return to school. Please remember that our school has a 48 hours SYMPTOM FREE policy for the safety and health of all children and TLC staff. It is stated in our school pamphlet and is posted on our front door. A low or high fever does indicate something and we must keep everybody healthy ☺ Thank you!
